BEM-VINDO

Bossa Restaurant is the perfect place for a sit-down meal for up to 15 guests on one long table or up to 40 on separate tables, we also have our beautiful Private Dining Room that can accommodate up to 10 guests. Take a seat at the chef's counter where you will be taken on a journey of Brazilian flair while having your dishes prepared in front of you. Should you wish to host a cocktail party or canapé reception, then our sister club Maroto would be ideal for your requirements accommodating up to 125 standing.

THE PRIVATE DINING ROOM

Our Private Dining Room has a beautiful bespoke circular table as its centrepiece with views across the restaurant and open kitchen. For privacy, blinds come down either side of the timber sliding door and the fan lights reflect the nature of the menu, informed by a multitude of cultures. This room is perfect for any occasion; a birthday celebration, corporate lunches and meetings, or an intimate gathering with those closest to you.
